5. Kumar Pratham C Shettar -92.80%,
6. kumari Aarushi Hemadri -92.80%
7. Kumar. Adhyam Kawari -92.20%
8. Kumari Janavi Parashar -92%,
9. Kumar Shivaraj S Demannavar -91%

The school is headed by the Principal Mr. Jagadish.S.Marali. It consists of teachers with experience and professional credentials. They have gone through various training and development opportunities, including workshops on new teaching methodologies, subject-specific training, and first aid and emergency response training. KLE Society, in collaboration with FREEDOM EDU Training institute and Educators of Finland, provided intense training sessions for the enrichment of their knowledge and encouragement of Collaborative Classrooms. Tata Class Edge by Stempedia provides teachers with mentorship and training for AI & Robotics. They have also participated in several webinars, offline workshops and other Training sessions like Capacity Building Programme on Classroom Management, English, General Knowledge, Mathematics(Mind Spark), Science, Hindi, Remodeled Structure of Assessment, Wordsworth Lab, Value Education(School Cinema), Physical Education etc. as per the guidelines of CBSE.

The school provides the best infrastructure facilities to the students to be in par with the present requirements. To start a student's journey of self-discovery, we are collaborated several student enrichment programs like TENVIC for Sports, FSM for music, VCARE for health, School Cinema to inculcate values, TATA Class Edge Digital Boards, NEXSQUARE for attendance and Report Card, Open Door Thinking Classrooms, ASSET Diagnostic Assessment, Mindspark Personalized learning, Cambridge English Lab, My Cloud Magazine, Marg Career Guidance, BIS-Bureau of Indian standards, Deepgrade Grading Platform , Desh Apnayan Actizen Club and Scouts and Guides. All these programmes have boosted the confidence of our students and enhanced their skills to an admirable level.

Library is consisting of more than 40 thousand books accessible to students and teachers for reference or borrowing.
