

ANNUAL REPORT 2019-20

KLE Society's English Medium School, Manjunath Nagar Hubballi, started in the year 2001-2002. The school consists of 3 wings i.e. Pre-Primary, Primary and Secondary level in which 1222 students are on roll. The staff strength is 72.

The school is affiliated to CBSE Delhi. The school curriculum includes co-curricular and extra-curricular activities. The school has excelled in academics with 100% result in the CBSE Grade 10th Exam in the year 2018-19. The names of the toppers of board examination are as follows. 1. Ms. Bhagyashree Chikkeri-97%, 2. Ms. Rajani Emmi -95.40%, 3. Ms. Vaibhavi Prabhu - 95.20%, 4. Mr. Sumanth Rao -93.40%, 5. Ms. Veena Goudru -93%, 6. Mr. Mahendraraddi Iraddi - 93%, 7. Mr. Pratham Joshi -92%.

The school is headed by the Principal Mrs. Audrey Prince Uttangi. It consists of teachers with experience and professional credentials. They have gone through various workshops in all the subjects / topics as follows. Capacity Building Programme on Classroom Management, English, General Knowledge, Mathematics, Science, Hindi, Remodeled Structure of Assessment, Wordsworth Lab, Value Education, Physical Education etc.

The school provides the best infrastructure facilities to the students to be in par with the present requirements. There is Tenvic coaching facility to train the students in T.T, Basket Ball, Cricket etc. Every classroom has Edurite Smart boards which enable the pupils to comprehend the topics clearly. Asset questions help students to clearly understand previous and present concepts. Music learning with Indian and Western instruments along with vocal training creates very enthusiastic atmosphere. Value education is learnt by the students by watching 'School Cinema'.

Maths learning is not only by theory but also by doing practicals with 'Funtoot' software. "India Exams" software facilitates unlimited messaging, emails (to the staff and parents), generating report cards, tracking attendance, procuring fee challan, study certificate, T.C etc. Bus facility is provided for students convenience. Well-equipped laboratories are meant for English, Science and Maths subjects. Library is consisting of more than 10 thousand books accessible to students and teachers for reference or borrowing.
